Good Day Defence School represents amalgamation of nature with technology to represent the times of today. GDDS inculcates the value of co-existence with nature to recognize it as our root and source of existence. Simultaneously GDDS is accepting the power of technology for growth, progress and positive sustenance. Our core values are character building, value for our roots, history and culture, high knowledge of latest techniques, innovations and technology. We intend to maintain high academic content with our methods being the latest trends in the world.

## CURRICULUM MODEL

The GDDS Curriculum Model represents the commitment of the school to optimise teaching and learning, and facilitate wards' holistic development and well-being. Through a curriculum that is stimulating and creative, and an environment that is safe and child-centred, we enable the learner to explore multiple dimensions of excellence, encompassing intellectual, social, emotional and physical development. There is equal emphasis on academic rigour and engagements beyond the classroom through a wide spectrum of opportunities.
