PURSUE YOUR SPORTING DREAM, JUST LIKE YOUR ACADEMICS

“The school lays equal emphasis on sports and physical activities as much as on academics. Hence, prominence is given to sports and events involving agility and dexterity of the body.”

Sports are a crucial part of a student's growth and help in the development of mental health and physical fitness of the body. Through participation in sports and games, a student gains various skills, experience and confidence that are helpful for developing their personality. Teams from our school participated in various sports events like lawn tennis, badminton, cricket, wrestling, shooting, roller skating, shot put, athletics and have made us proud.

GOOD DAY DEFENCE SCHOOL
