A Purposeful Start to the Day

The day at **Good Day Defence School, Hanumangarh** began with a positive and purposeful morning assembly, setting the tone for a day centred around discipline, learning and togetherness. The school community also carried forward the spiritual atmosphere created by the **Hanuman Chalisa Paath** held on campus the previous evening, bringing a sense of peace, devotion and collective participation to the school environment.

NCC: Building Discipline & Leadership

A special focus of the day was NCC practice for Classes VIII and IX. Cadets participated in parade practice, strengthening discipline, coordination, confidence and leadership. The session reflected the school's commitment to preparing students not only academically, but also with the values of responsibility, teamwork and service.

Lunch Break: Time to Recharge

The lunch break provided students with a much-needed pause between their academic and activity sessions. It offered them time to refresh, interact with their peers and return to the day's programme with renewed energy.

A Day of Learning Beyond the Classroom

From the calm of the Hanuman Chalisa Paath to the discipline of NCC practice, the enthusiasm of classroom activities and the collective spirit of the morning assembly, the day reflected the many dimensions of school life at GDDS. Every experience contributed to building students who are curious learners, disciplined individuals and responsible future citizens.
