

GOOD DAY DEFENCE SCHOOL

NEW SAINIK SCHOOL HANUMANGARH

NEWSFLASH

20 August

Dear Parents,

A Day of Learning, Discipline & Growth

At Good Day Defence School, Hanumangarh, every school day is an opportunity to go beyond routine learning and help students develop confidence, curiosity and character. August 20 brought together academics, creativity, physical development and discipline, with students actively participating in engaging classroom activities, NCC practice, creative sessions and skill-building experiences.

Learning Beyond the Textbook

Students of Classes VI to VIII explored concepts through interactive activities across Maths, English, Hindi, Social Science, GK and Computer. From factors and multiples, geometry and latitude-longitude activities to dialogue role play, riddles and antakshari, creative writing and an English spell bee, students were encouraged to participate, communicate and apply their learning.

Connecting Learning with India

The "Know Your India" activity gave students an opportunity to explore India's identity and heritage, while the Freedom Fighters Timeline helped them revisit important personalities and moments from our nation's history. These activities made learning engaging while strengthening students' connection with India's rich past.

Know Your India

NCC: Discipline in Action

A strong focus was placed on NCC training, with students participating in drill and parade practice, marching and salute practice. These sessions helped build discipline, coordination, confidence and teamwork, reinforcing the values at the heart of GDDS.

NCC Training

Learning Through Movement

The dance session brought energy and creativity into the school day. Students explored basic dance steps and freestyle movements, developing coordination while expressing themselves confidently through movement.

Building Practical & Physical Skills

Learning extended beyond the classroom as students engaged in Data Entry activities, developing accuracy and digital skills, while Map Skills helped strengthen their understanding of directions, locations, and geographical representation. The Swimming session added an important physical dimension to the day, helping students build fitness, stamina, coordination, confidence, and water skills. Together, these experiences encouraged students to develop practical abilities alongside their academic learning.

★ THE GDDS SPIRIT ★

August 20 beautifully reflected the belief that education extends beyond books and classrooms. At GDDS, academic growth goes hand in hand with **discipline, creativity, leadership, teamwork and character-building.**

A day where our students learned with curiosity, participated with enthusiasm and grew with purpose.

Warm regards,
Good Day Defence School, Hanumangarh
