A PROUD ADDITION A MILITARY TANK AT GDDS

Dear Parents,

September 15 will be remembered as a landmark day in the journey of GDDS.

In a moment of immense pride for our defence-oriented institution, GDDS has received a **military tank**, bringing a remarkable piece of military heritage onto our campus.

More than an addition to the school grounds, it represents the **courage, discipline, engineering and legacy** of India's Armed Forces — values that resonate deeply with the spirit of GDDS.

SALUTING OUR FORCES.
INSPIRING OUR FUTURE.

NATION FIRST | CHARACTER ALWAYS

A HISTORIC ADDITION TO GDDS

MILITARY HERITAGE ON CAMPUS

The arrival of the military tank marked one of the **most significant milestones** in the GDDS journey.

For our students, having such a piece of military heritage on campus creates an extraordinary opportunity to experience the world of defence beyond textbooks and photographs. It serves as a powerful reminder of the **equipment, engineering and traditions** associated with the Armed Forces, while inspiring young minds who dream of serving the nation.

For a school built around **discipline, leadership** and a **spirit of service**, this landmark addition makes the GDDS campus even more meaningful.

Sanskrit | Connecting with Language & Heritage

Students also continued their Sanskrit learning, developing language skills while connecting with one of India's rich classical linguistic traditions.

Ready for the Tennis Tournament

Excitement was also building on the sporting front as students prepared for the upcoming Tennis Tournament. Training and preparation are about more than competition—they teach students the value of practice, perseverance, focus and sportsmanship.

Lunch | A Moment to Recharge

Amid academics, activities and preparation, students gathered for lunch, sharing a meal and moments of interaction with their friends.

A Day That Will Stay with Us

September 15 brought together two sides of GDDS beautifully: a historic moment that connects our students with the legacy of the Armed Forces, and the everyday learning experiences that prepare them for the future.

From a military tank becoming part of the campus to a child learning two-letter words, from Hindi Diwas creativity to biology, from yoga and dance to tennis preparation every experience contributes to the making of a confident, capable and well-rounded individual.

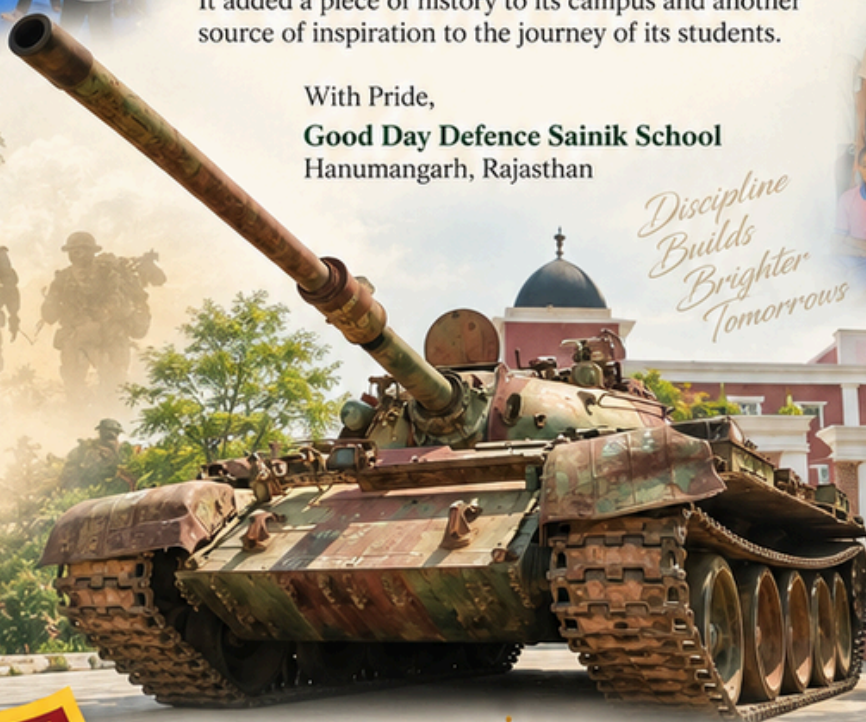

Today, GDDS did more than mark a milestone.

It added a piece of history to its campus and another source of inspiration to the journey of its students.
