A Bright Beginning to September

Dear Parents,

September began at Good Day Defence Sainik School with a wonderful blend of wellness, creativity, discipline, imagination, and sportsmanship. Across the campus, students learned not only through lessons, but through experiences that encouraged them to move, create, think, express, and work together.

| SERVICE

Class 4 | Finding Balance Through Yoga

Class 4 students began their wellness journey with Yoga, embracing mindful movements and postures that encouraged focus, balance, flexibility, and calmness. The session offered a beautiful reminder that a healthy mind and a healthy body go hand in hand.

Class 5 | Creativity Takes Shape

For Class 5, the day was all about Art & Craft. With imagination leading the way, students transformed simple materials into creative expressions. Every creation reflected their individuality, curiosity, and joy of making something of their own.

Class 7 | Discipline in Action Through NCC

Class 7 students stepped into the world of NCC Training, where learning extended beyond the classroom into discipline, teamwork, responsibility, and confidence. The training helped nurture qualities that shape not just better students, but responsible and courageous citizens.

Class 8 | Stories That Spark Imagination

Class 8 students brought stories to life through an engaging Storytelling activity. As they listened, imagined, and expressed themselves, they strengthened their communication skills, confidence, creativity, and ability to connect with others through words.

Cricket | Where Teamwork Meets the Spirit of the Game

The school grounds came alive with the energy of Cricket. Beyond runs and wickets, the game encouraged students to practise teamwork, coordination, discipline, perseverance, and sportsmanship—learning that every victory is sweeter when achieved together.

A Day That Nurtured the Whole Child

From the stillness of yoga to the freedom of art, from the discipline of NCC to the magic of stories, and from the energy of cricket to the joy of teamwork, September 1 reflected what learning at GDDS is truly about.

- Because education is not confined to four walls.
- It lives in every movement, every creation, every story, and every game.

At GDDS, we continue to create experiences that help our students discover their strengths, build their character, and grow into confident, compassionate, and capable individuals.

Warm regards,

Good Day Defence Sainik School
