

GOOD DAY

DEFENCE SAINIK SCHOOL

HANUMANGARH

NEWSFLASH

DISCIPLINE | CHARACTER | BRIGHTER FUTURES

Dear Parents,

October 12 brings together new beginnings, festive enthusiasm and the familiar rhythm of learning at Good Day Defence School, Hanumangarh. From welcoming a new Principal to beginning Navratri with prayers, from creative classroom experiences to preparations for Dandiya celebrations, the day reflects a school community where learning, culture and togetherness go hand in hand.

Navratri Begins | A Prayerful Start

The first day of Navratri marks the beginning of nine days dedicated to devotion, faith and the celebration of divine feminine energy. The Navratri Pooja offers students an opportunity to connect with India's cultural traditions and reflect on values such as strength, positivity and gratitude.

A New Chapter in Leadership | Welcoming Our New Principal

Every new beginning brings fresh possibilities. GDDS warmly welcomes Mrs Anamika Gaur as its new Principal, bringing to the institution over 23 years of experience in education, academic leadership and school administration.

With her extensive experience in CBSE education, curriculum development, teacher mentoring and student welfare, she brings valuable expertise to the school's continuing journey of growth.

Her leadership marks the beginning of a new chapter, guided by a commitment to academic excellence, holistic development and meaningful learning experiences for every student.

We extend a warm welcome to Mrs Anamika Gaur and look forward to the journey ahead under her leadership.

Art & Craft | Creativity in Little Hands

Art and craft sessions give students the freedom to explore colours, materials and ideas while expressing their imagination. These hands-on experiences encourage creativity, patience, concentration and the joy of creating something of their own.

Computer Class | Learning for a Digital World

Computer classes help students build digital familiarity and develop skills essential for an increasingly technology-driven world. Through guided learning and practical engagement, students strengthen their understanding of technology and its role in education.

Punjabi Class | Connecting with Language and Culture

Punjabi lessons help students develop language skills while deepening their appreciation of linguistic and cultural heritage. Learning another language also encourages expression, communication and an understanding of the richness of India's diverse traditions.

Dandiya Preparations | *The Festive Spirit Comes Alive*

With Navratri underway, preparations for the Dandiya celebrations bring rhythm, movement and excitement to campus life. Through practice, students develop coordination, timing, teamwork and confidence while preparing to celebrate a vibrant cultural tradition together.

Meals That Bring Everyone Together

Lunch in the school mess offers students a welcome pause between their learning activities. Later, dinner in the girls' hostel brings the residential community together once again. These shared mealtimes are an important part of boarding-school life, fostering routine, friendship and a sense of belonging.

Growing Through Every Experience

From welcoming new leadership to celebrating traditions, from exploring creative interests to strengthening academic skills, each experience adds something meaningful to school life.

At GDDS, education extends beyond textbooks. It lives in the values students discover, the traditions they celebrate, the skills they practise and the relationships they build along the way.

Warm regards,
