

GOOD DAY DEFENCE SCHOOL

NEW SAINIK SCHOOL HANUMANGARH

DAILY NEWSFLASH

23 OCTOBER 2026

A Day of Learning, Confidence & Community

Dear Parents,

Every school day brings together lessons that build knowledge, activities that develop skills and moments that nurture confidence and belonging. October 23 at Good Day Defence School, Hanumangarh, reflected this wonderful blend, with students exploring new concepts, gaining practical experience, enjoying sports and benefiting from the guidance of their teachers and school leaders.

Academics | Learning Across Subjects

Classroom learning covered a diverse range of subjects and concepts. Students explored Hindi Grammar, strengthened their understanding of Ratio and Proportion, and discovered the story of Indian Farming. Lessons on Local Government in Rural Areas helped them understand how village-level administration works and how local institutions serve communities.

In Computer Education, students gained practical exposure to assembling and disassembling a CPU, learning about computer hardware beyond the screen. Meanwhile, UKG learners received individual guidance from their teacher as they worked through their classroom activities, building confidence with every step. The library offered another avenue for discovery, giving students time to explore books and nurture their reading habits.

Sports & Fitness | Teamwork Through Kabaddi

The kabaddi session brought energy, movement and team spirit to the playground. As students participated in this traditional sport, they practised coordination, agility and strategic thinking while learning the importance of discipline, cooperation and playing together.

Student Wellbeing | A Birthday Gesture to Remember

The Principal personally handed a birthday note to a student celebrating their special day. This thoughtful gesture added warmth to the school routine and reminded the student that they are valued and appreciated within the GDDS community.

Leadership & School Development | Working Together for Better Learning

The Principal held a meeting with teachers, providing an opportunity for discussion and collaboration on school and academic matters. The Director also conducted a classroom inspection, taking an active interest in classroom practices and the learning environment. Such engagement supports the shared responsibility of school leaders and teachers in making everyday learning meaningful.

School Life | *A Fresh Start*

The day began with students arriving on campus and settling into their daily routines, ready to embrace new lessons and experiences. These familiar morning moments set the rhythm for a day filled with opportunities to learn, participate and grow.

At GDDS, learning extends beyond textbooks. It takes shape through practical experiences, physical activity, thoughtful guidance and the everyday interactions that help children feel supported. Together, these experiences nurture knowledge, confidence, discipline and character, preparing students for the opportunities that lie ahead.

Warm regards,
Good Day Defence Sainik School
Hanumangarh, Rajasthan
