MINISTRY OF DEFENCE

NEWSFLASH | 30 OCTOBER 2026

Dear Parents,

Diwali is more than a festival of lights. It is the warmth of togetherness, the beauty of traditions, the joy of sharing and the hope that every new light brings. It is the time when homes glow with diyas, doorways come alive with rangoli, greetings are exchanged with affection and hearts fill with happiness and gratitude.

At Good Day Defence New Sainik School, Hanumangarh, we are bringing this beautiful festive spirit into our classrooms through a Diwali-Themed Creative Competition on Friday, October 30, 2026. With colours, craft and words as their tools, our students will get an opportunity to express the magic of Diwali in their own unique ways.

Little Hands, Bright Colours

Diwali Colour Drawing (Nursery to UKG)

For our youngest learners, Diwali will unfold through a colourful drawing activity. With crayons, colours and little bursts of imagination, our tiny artists will capture the festive charm of the occasion. From glowing diyas and beautiful rangolis to festive decorations, their drawings will reflect the innocent excitement and wonder with which children welcome the festival.

Handmade with Love

DIWALI CARD MAKING | CLASSES I TO V

For students of Classes I to V, the celebration will take shape through a Diwali Card-Making Competition. Each handmade card will offer a little space for creativity, affection and festive wishes. As students design, decorate and personalise their cards, they will experience the happiness of creating something meaningful and sharing warm greetings with others. After all, a handmade wish carries a special kind of warmth!

WORDS THAT ILLUMINATE

Diwali Slogan Writing | Classes VI to VIII

Students of Classes VI to VIII will participate in a Diwali Slogan-Writing Competition, expressing the deeper meaning and message of the festival through thoughtful and creative words. They will explore themes of light, hope, goodness, kindness, harmony and togetherness, transforming their ideas into inspiring slogans that capture the true spirit of Diwali.

ONE FESTIVAL, MANY EXPRESSIONS

The Joy of Creating Together

Though the activities differ across age groups, the spirit remains the same: celebrating Diwali through creativity, imagination and meaningful expression. Whether it is a colourful drawing, a thoughtfully crafted greeting card or a slogan that spreads a message of goodness, every creation will add its own sparkle to the celebration.

Through these activities, students will not only enjoy the festive season but also connect with the values that make Diwali so special: spreading happiness, appreciating one another, embracing goodness and bringing light into the lives of those around us.

May Every Little Creation Carry a Little Light!

As the festive season fills the air with colour, warmth and happiness, we look forward to seeing our young learners celebrate Diwali with bright ideas, joyful hearts and boundless creativity. May their creations reflect the true beauty of the festival and remind us that the brightest celebrations are those we create and share together.

With Light, Joy and Festive Cheer,
