GOOD DAY DEFENCE NEW SAINIK SCHOOL

— HANUMANGARH, RAJASTHAN —

Newsflash

3 November 2026

Dear Parents,

A day filled with smiles, achievements, creativity and new discoveries! November 3 brought many special moments to **Good Day Defence New Sainik School, Hanumangarh.** From celebrating the creativity of our Diwali competition winners to exploring languages, strengthening communication skills, enjoying music and engaging in sports, the day beautifully reflected the many ways in which students learn, express themselves and grow.

Celebrating Young Achievers

Diwali Competition Certificate Distribution

The festive spirit continued as the winners of the **Diwali-themed competitions** received their certificates of appreciation. Recognising their creativity and enthusiastic participation, the certificate distribution celebrated the imagination, effort and talent displayed by our young participants. From colourful drawings to beautifully crafted cards and thoughtful slogans, each creation reflected the joy and spirit of Diwali. These moments of recognition encouraged students to keep exploring their talents and take pride in their achievements.

Learning Beyond the Textbook | Language, Expression & Discovery

Classrooms offered a variety of engaging learning experiences across grades. **UKG** students explored colours through an enjoyable learning session and strengthened their Hindi writing skills. **Class 6** students engaged in Hindi learning, while **Class 7** explored the transformation of sentences, building their understanding of English grammar.

Another interesting language experience unfolded as **Class 7** students began learning Punjabi, discovering another language and expanding their linguistic horizons. Students of **Class 6** also explored the English terms associated with different sports, connecting vocabulary development with their interest in games and physical activities.

A Rhythm of Creativity | Music Comes Alive

Adding a musical note to the day, Class 12 students explored instrumental music through the **guitar, tabla and bongo.** The session brought together rhythm, coordination and creative expression, offering students an opportunity to engage with music through different instruments. It was a wonderful reminder that learning also finds its expression in melodies, beats and artistic exploration.

Energy on the Court | Learning Through Sports

The sporting spirit continued as **Class 5** students engaged in basketball, developing their familiarity uit the game while enjoying an active and energetic learning experience. Such opportunities encourage participation, coordination, teamwork and an appreciation for physical activity.

Birthday Wishes from the Principal | Celebrating Every Student

Adding a personal and heartwarming touch to the day, Principal Ma'am extended birthday wishes to students celebrating their special day. Her thoughtful greetings brought smiles and made the birthday celebrations even more memorable. These little gestures of care and appreciation strengthen the bond between students and their school community.

Sharing Meals, Sharing Moments | The Joy of Togetherness

The school day also brought students together over lunch, offering a familiar and cheerful part of their daily routine. Shared mealtimes are among the simple pleasures of school life, creating opportunities for conversation, friendship and togetherness.

Every Achievement Deserves a Cheer, Every Experience Adds a New Spark!

From the pride of receiving certificates to the joy of learning a new language, from the rhythm of musical instruments to the excitement of the basketball court, November 3 captured the vibrant spirit of GDDS. Each activity, interaction and achievement added something meaningful to the day, making school life a beautiful blend of learning, creativity, discipline and happiness.

With Joy in Every Learning Experience,
