GOOD DAY DEFENCE
NEW SAINIK SCHOOL
HANUMANGARH, RAJASTHAN

Dear Parents,

A school day is made special not only by lessons learned, but also by the little moments of encouragement, laughter, creativity and togetherness that fill it. ***November 4*** *brings all these moments together at Good Day Defence New Sainik School, as students celebrate their achievements, prepare for Diwali and enjoy the simple joys of growing and learning together.*

A Cheerful Beginning | Morning Assembly & Birthday Wishes

The day begins with the morning assembly, as students come tcogether to start the day with discipline and positivity. Adding a personal touch to the morning, Principal Ma'am extends warm birthday wishes to students celebrating their special day, making them feel remembered and appreciated.

Little Achievements, Big Smiles | Slogan Writing Certificates

A moment of recognition brings smiles to Class 7 students as they receive certificates for their participation in the Diwali slogan-writing competition. The Director makes the occasion even more delightful by distributing candies and chocolates to the young participants of the Diwali competitions, appreciating their enthusiasm and creative efforts.

The Campus Gets Festive | Diwali Preparations Begin

The excitement of Diwali finds its way into creative hands and colourful ideas. Students make diya-shaped decorations and beautifully adorn the notice board, adding warmth and festive charm to the campus. Each little creation becomes a part of the celebrations taking shape at GDDS.

Little Feet, Happy Beats

Kindergarten Dance Activity

Our kindergarten students bring an extra dose of cheer to the day with a joyful dance activity. Their lively participation, happy expressions and love for movement make this a particularly heartwarming part of the day.

Playful Moments

Fun on the Sports Ground

The playground fills with energy and laughter as students enjoy a merry-go-round activity. Amid their busy school routine, these moments of play offer a lovely opportunity to unwind, have fun and make memories with friends.

The People Behind Every Learning Moment

| A Day of Preparation

Beyond the classroom, our teachers continue their dedicated work, checking notebooks and preparing lessons for the days ahead. A staff meeting with the Director, Principal and staff members provides an opportunity to come together, discuss and coordinate the work that keeps school life running smoothly.

From a child's first dance steps to a certificate earned through creativity, from festive decorations to the everyday dedication of teachers, the day reflects the many little things that make life at GDDS meaningful. It is in these moments that learning, care and togetherness come alive.
